

NSS5 – SPSTM2

JOINT INTERNATIONAL CONFERENCE

ABSTRACT GUIDELINES

GUIDELINES FOR SUBMITTING AN ABSTRACT:

You are asked to follow these guidelines when submitting an abstract for oral or poster presentation.
You may use the downloadable template to create your abstract.

1. Abstracts should be no longer than one page (*Letter size, 8 X 11 inches*) in portrait layout.
2. The title of the abstract should be as concise as possible and should appear in bold, lower case (*except first letter*), centered and 14pt. font.
3. Co-authors in 12pt. font (*the presenting author should be underlined*)
4. affiliations below the authors in italics, 11pt. font
5. Main body of text to be justified.
6. 1.25-inch margins left/right; 1-inch margins top/bottom
7. Single line spacing throughout except after title.
8. Font size 12pt main body; 14pt. title; 11pt. affiliations
9. Font type Times New Roman
10. References, denoted by superscript numbers in the text, should be listed at the bottom as footnotes in standard AIP format style, including NAMES, JOURNAL, VOLUME, PAGE, and YEAR (*in parenthesis*).
11. The use of figures and/or graphs is recommended where this aids the understanding of the text (*color images are allowed, printing color in abstract book may be possible*)
12. Abstracts should be sent as an MS Word document as an email attachment to:

mala@helios.phy.ohiou.edu, with the words NSS5-SPSTM2-ABSTRACT-LAST NAME in the subject line (*LASTNAME should be the name of the presenting author*)
13. Please include full address and contact details of both the corresponding and presenting authors in the email body and indicate whether you are submitting an oral or a poster presentation; like this:
 - Presenting author's contact information
 - Corresponding author's contact information
 - Oral or Poster Presentation
 - Please try not to exceed 2MB file size in your submission.
